At their home on the east hill Saturday evening Mr. and Mrs. Raymond Diemer entertained members of the Norwegian, Danish and Swedish colonies in Barre. The visitors made the trip from the city in two barges and a number of single teams, arriving at the Diemer homestead around 7:30 o'clock. They found the warmest hospitality awaiting them, for Mr. and Mrs. Diemer had anti-cipated their coming by the preparation of a chicken dinner. Afterward the visitors, numbering some 40 persons all told, engaged in games and dancing, a feature of the latter being the introduction of two musicians whose instruments, having lately arrived from Sweden, were tried for the first time.
